

LEGAL COSTS

VAT automatically has to be added to all bills.

The estimate of costs given at the outset will be kept under constant review. You will be notified as soon as I think it is likely to be exceeded and a fresh estimate given.

I will always try to estimate for the worst-case scenario on costs. I prefer my clients not to have nasty shocks when they receive the final account.

Unless you have been given a fixed quote, then all work on your case will be charged for, depending on the time spent. Routine letters written and telephone calls made and received will be charged at 1/10th of the hourly rate.

You will be provided with an itemised printout of the work done with each bill. If you think it is too high, please let me know.

You can set a limit on your costs at any time.
